

CONCAVE CABINET PULL 4 INCH & 6 INCH

Design

Unique concave design has a carved out center to create an ergonomically pleasing user experience. Drawer and cabinet pulls machined from solid brass and stainless steel.

Material & Finish

Solid brass or stainless steel pulls are available in tumbled or mirror polished finishes. Pulls are unlacquered and will develop a natural patina with use over time.

Special Notes

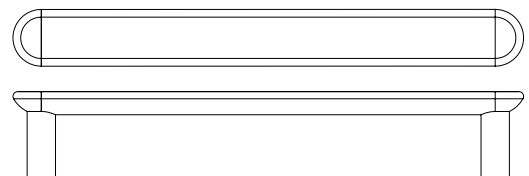

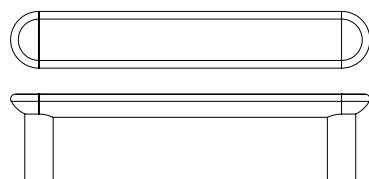

Sold individually. Matching mounting hardware included. Custom finishes available upon request. 4" and 6" dimensions reference the center to center mounting points.
