

## CONVEX APPLIANCE PULL 12 INCH & 18 INCH

### Design

Simple rod pull with rounded ends. Drawer and cabinet pulls machined from solid brass and stainless steel.

### Special Notes

Sold individually. Matching mounting hardware included. Custom finishes available upon request. 12" and 18" dimensions reference the center to center mounting points.

### Standard Dimensions

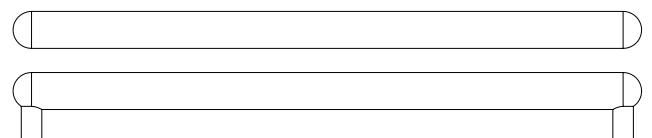

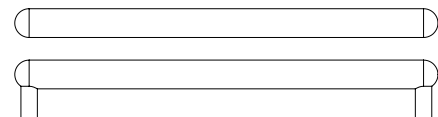

- 13.00"L x 0.875"W x 1.77"H
- 19.25"L x 1.125"W x 2.06"H

### Material & Finish

Solid brass or stainless steel pulls are available in tumbled or mirror polished finishes. Pulls are unlacquered and will develop a natural patina with use over time.
